## TOUR ITINERARY - TOCO

### Discover the Magic of the M to M Network – Matura to Matelot

Once known as the nation's food basket—supplying nutmeg, cocoa, fresh fish, plantains, bananas, and a bounty of ground provisions—the northeast coast is now blossoming into one of Trinidad's most exciting tourism destinations.

Here, agro, eco, food, and adventure tourism come together to create unforgettable experiences. Picture yourself

Bathing in crystal waters along clean, white-sand beaches Hiking to breathtaking waterfalls tucked deep in the rainforest Sampling authentic local cuisine bursting with flavor Spotting rare birds in their natural habitats Witnessing the majestic leatherback turtles return to nest under the moonlight

From Matura to Matelot, every stop tells a story of heritage, nature, and wonder. Toco and its neighboring villages are more than just a getaway—they're a rare treasure waiting to be explored.
